WE DO NOT COMMISSION SEEDS.—In response to hundreds of inquiries, we would state that we **positively decline to send out any Seeds on Commission.** Dealers handling seeds in packets will be supplied on liberal terms, and by ordering judiciously, the business will be more profitable and satisfactory than by the handling of commission seeds.

TERMS—Onion Sets, Grass and Clover Seeds and Bird Seeds are net cash without any discount whatever. On other goods sold at prices in this catalogue 90 days, or one per cent. per month for cash.

Quotations in this List are for the Wholesale Trade only. We do not claim to sell the cheapest seeds, but the best, and know that if favored with a share of your orders for the coming season that our goods will give you satisfaction. We believe our stock is as represented; but at the same time it must be distinctly understood that our seeds are sold without any warranty, express or implied, and without any responsibility in respect to the crop. If our seeds are not accepted on these terms, they must be returned at once.
